Emerging Beauty Markets in Indonesia

Indonesia's cosmetics industry performed strongly with the country's growing middle class and affluent consumers. With a population of over 270 million, Indonesia is the largest nation in South East Asia and the fourth most populated country in the world. The demand of beauty and cosmetic products are increasing among consumer in Indonesia. With such a huge population, the market presents exciting opportunities for global businesses, particularly in the beauty and cosmetics industry, which is in the midst of a period of rapid growth.

Revenue in the Cosmetics segment is projected to reach US\$1,583.2m in 2020. The market is expected to grow annually by 7.4% (CAGR 2020-2025).

The 15th edition of Cosmobeauté Indonesia returns as platform for industry players to penetrate the Indonesian beauty market and will run as hybrid exhibition next year. Cosmobeauté Indonesia 2022 will be giving you the online and live experience which will be held at Jakarta Convention Center (JCC), Indonesia from 3 to 5 November 2022.

WHY INDONESIA

- Indonesia as Southeast Asia's largest economy, with a GDP of not less than USD 1.016 trillion, analysts predict that Indonesia will emerge to become one of the top five markets especially for cosmetics products in the next 10-15 years.
- Indonesian consumers are becoming increasingly aware of their well-being.
- Indonesian women population now numbers over 130 million and make-up is increasingly becoming part of women's lifestyles.
- Indonesia has a big population that is characterized by rising per capita GDP, thus there is a rising number of mid-income and affluent consumers.

- Amid the COVID-19 crisis, the global market for Cosmetic and Skin Care estimated at US\$145.3 Billion in the year 2020, is projected to reach a revised size of US\$185.5 Billion by 2027, growing at a CAGR of 3.6% over the analysis period 2020-2027.
- Indonesian cosmetics exports are targeted to reach 1.67 billion USD and are expected to increase to 1.81 billion USD in 2021.
- Indonesia will become the fastest growing cosmetics market in Asia. Indonesia will make it to the top 10 markets for global beauty and skin care products, worth over 130 billion USD globally.
- Market consumption volume increased with a CAGR of 6% between 2015 and 2019, to reach a total of 63.6 million units in 2020.

The Beauty of Supply Chain

The cosmetics industry is growing rapidly and manufacturers are becoming ever more dependent. In the cosmetic industry, managing the supply chain efficiently and effectively is crucial for cosmetic companies to gain a competitive advantage.

As the inaugural Supply Chain Area was a success in Cosmobeauté Indonesia previous edition, Cosmobeauté Indonesia continues to stride in Supply Chain Area covering the range of spectrums in packaging, OEM/ODM, Machinery & Equipment, and Ingredient & Formulation.

COSMETIC INGREDIENTS

The cosmetic sector has evolved at a rapid pace over the past couple of decades due to the demand of cosmetic products are increasing among consumer in Indonesia.

The global cosmetic ingredients market is expected to grow at a healthy CAGR of 7.8% and reach US\$ 6,38 Billion in 2019 will continue to increase until US\$ 8,61 Billion in 2023 during the forecast period.

The 15th edition of Cosmobeauté Indonesia proudly present COSMETIC INGREDIENTS as our new addition to the exhibition this year. With this new addition, visitors have the chance to know more about and meet the precise ingredients that can be used to produce and making your own cosmetics.

Halal Cosmetics

In recent years, there has been a growing trend in the use of halal cosmetics in Indonesia. This is in line with the increased number of middle class and affluent Muslim women who are halal conscious in their purchases.

According to a survey, 58% of women in Indonesia now prefer to use halal cosmetics. They place a greater emphasis on halal certification over price, packaging, organic ingredients and other trends. The implementation of the Indonesian government regulation on halal product assurance as a derivative regulation of Law No. 34/2014 on Halal Product Assurance in 2017 has further increased demand for halal cosmetics.

Halal cosmetic products are gaining awareness and increasing demand among the 2.4 billion Muslim consumers in worldwide. The global halal market is anticipated to expand at a compound annual growth rate of 6.8% until 2024.
