

The 15th Edition of Cosmobeaute Indonesia rescheduled to 3 - 5 November 2022

Dear Valued Exhibitors/Partners/Visitors/Media,

After careful deliberation with key industry members and partners such as yourself, PT Pamerindo Indonesia has taken the difficult but necessary decision to further postpone **Cosmobeaute Indonesia** to **3 - 5 November 2022** at **Jakarta Convention Center, Jakarta**.

Initially, our decision to postpone Cosmobeaute Indonesia from 2020 to 2021 was to enable certainty to return to the marketplace following the disruption caused by the COVID-19 pandemic. However, travel restrictions remain in place, and given that we would want you to benefit from the participation of international attendees, we would like to proactively delay the event until November 2022. We are confident that these revised dates will allow for normality and confidence return to the marketplace and for travel restrictions to ease, providing all-around better conditions for buyers and sellers to engage.

Please accept our apologies for any inconvenience caused by this postponement. In the meanwhile, rest assured that the Cosmobeaute Indonesia team will also be launching additional communications and digital opportunities to aid the Beauty industry and to keep you up-to-date leading up our event.

We wish to thank those who participate in Cosmobeaute Indonesia and we greatly appreciate your support in these unprecedented times. Our sole focus remains to provide an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success.

Should you have any questions or concerns, please contact the Cosmobeaute Indonesia team at T: (6221) 7590 6812/ Kristi.Wulandari@informa.com

Best Regards,
