Quotes from Exhibitors

“ This is the 4th time PPL companies have participated in the exhibition. The event gathered a lot of companies and brands from many countries in the beauty industry which made me very impressed. Our company has invested very carefully this year and will continue to accompany the programme next year.

“ Our second time we've participated as we got a good outcome from the previous year. This year, we came to introduce our beauty products from New Zealand, and we also wanted to introduce the inner beauty products from New Zealand to Vietnam. Thank you for the Organising Team and hope that we will have a good outcome from the exhibition.

Visitor Testimonial

I came here to see all the potential products in this event, as we have to find the right product for Vietnamese market.

This event is very good actually. It has good products, especially Korean products which seem very good for Vietnamese market. For my company and my position, it very interesting to be here. Also, the organisation is very good, I have nothing to complain.

Thanks to the management at Informa Markets for another successful VietBeauty & Cosmobeauté Vietnam show in HCMC. It's great to be back after a couple of years online only due to the pandemic. We certainly found a good number of new brands and partners to represent in Vietnam & Myanmar. Brand owners and manufacturers were willing to spend quality time with our team which made all the difference.

Ian Macdonald
CEO
MEDICARE

It's fantastic to see the pace of innovation in cosmetics market here. I participate in this trade show every year, and each year there's something new in the market. That's so fantastic. I love it, and I will visit again next year!
